

## Globalist Babylon Is Coming

By Rob Pue | February 11th, 2024

February 11, 2024

Recently, I wrote a message titled “Babylon the Great Is Fallen.” In that message, I erroneously stated that “Mystery Babylon” was mentioned in Revelation 18. Since that time, I’ve done a much deeper study on the subject and there are some things I’d like to clarify here.

First of all, “Mystery Babylon” is not mentioned in Revelation 18, but specifically in Revelation 17. “Mystery Babylon” describes the “great whore,” upon whose forehead was written “Mystery, Babylon the Great, The Mother of Harlots and Abominations of the Earth.”

As I have learned, this “Mystery Babylon” is the coming one-world religion... a false religion, worshiping false gods. A great abomination. As we read in Revelation 17, this “woman” that John saw in his vision was “drunken with the blood of the saints, and with the blood of the martyrs of Jesus.” So, Revelation 17 describes “Mystery Babylon” as spiritual Babylon — a coming together of false religions from all over the world; as I said, a coming “one-world religion.”

This spiritual “Mystery Babylon” is already coming together; indeed, already in place. You would do well to study on the topics of the “Parliament of World Religions,” or the “World Council of Churches.” Here in Wisconsin, we have the “Wisconsin Council of Churches,” a branch of the “World Council of Churches.” But these are not Christian churches; they’re apostate in every respect. They advocate for everything God considers an abomination, under the guise of “Christianity.” Be not deceived by them.

Last year, the Parliament of World Religions held their annual meeting in Chicago. The event opened with a thing called “Sacred Fire: Greeting the Day Prayer and Fire Offering.” Other sessions during this conference focused on “Bhawana Yog - Guided Meditation.” Many sessions were held addressing the topic of combating “Climate Change,” there was a session called “Seed The Earth Altar in the Women’s Village,” a session was held titled “Going Beyond Diversity, Equity and Inclusion.” And not to mention the one titled “The Spear Within - The Staff is Passed to the Feminine.” And these are just a few of the sessions on the first day of the five-day event.

The entire convention was replete with sessions on feminism, climate change, pagan rituals, globalism, earth worship — honoring “Mother Earth,” esteeming science over sound theology, “interspecies justice,” which dealt with the worship of animals, transgenderism, homosexuality, and I could go on. Over 8,000 people attended, from more than 95 countries, representing more than 210 different religions.

Please understand, that the entire premise behind “Babylon” has always been a one-world order, a one-world government and one-world religion. In other words, as we know it today, “Globalism.” But God Almighty does not embrace “globalism.” He destroyed the tower of Babel and the city of Babylon because it was wicked, and sought to deceive people, drive them away from the one true Creator of the universe, and ultimately Jesus Christ, our Savior. But that spirit of Babylon is rising again in today’s world — at an alarming pace.

Today, spiritual Babylon of Revelation 17 is being established through things like the “Parliament of World Religions” and the “World Council of Churches.” Not to mention, the Roman Catholic pope, standing hand-in-hand with Islam, even as he endorses homosexuality and transgenderism. We also have the modern American churches, most of which have become apostate as well, with a “form of godliness but denying the power thereof.” “Making the Word of God of none effect,” through traditions, trends and tactics designed to simply fill the seats by pastors using “soft words,” that tickle itching ears.

No doubt, a one-world religion is coming. The leadership of the World Economic Forum has even suggested that a new “proper” Bible may soon be written by Artificial Intelligence. No doubt, this “new Bible” will be all-inclusive, mixing the pagan with the holy, or removing the holy altogether as it will likely teach we must worship and serve created things, rather than the Creator.

But we should also be mindful of Revelation 18, which describes “Babylon the Great.” This is no mystery. This is economic Babylon — yet still described and named “Babylon,” and still representing Globalism, a “new-world order,” a “one-world system.” After the one-world religion is destroyed by God, the economic system of “Babylon the Great” is next.

We read, “Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit...for all nations have drunk the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies.”

Here, Babylon the Great is about to be destroyed by God. But John hears another voice from heaven saying, “Come out of her, my people, that ye be not partakers of her sins and that ye receive not of her plagues.” These exact same words were used in Jeremiah 51, when God warned His people to leave the city of Babylon before He destroyed it. God always warns His people of coming judgment. Through Noah, He warned the people of the world that some might be saved, yet only eight people were. He also warned the Israelites prior to sending the death angel to Egypt. He warned Lot and his family before the destruction of Sodom. He is warning us today.

I don't know for sure if Babylon the Great is a city, as Scripture tells us, or if it represents a nation. If it is a city, it will likely be the headquarters of the New World Order, now being assembled by the Globalists. But whether a city or a nation, it's a place of great arrogance toward God, with no reverence for God and in fact, a disdain for God. It's a place — or a system — where the people rely on their riches, their luxuries and their comfort, and rather than honoring and serving the one true God, they think themselves to be gods. It's right out of Satan's playbook — using the same tactics he used against Eve in the garden — “you shall be like gods.”

Today, so many are just as arrogant, if not more so. And we're seeing the characteristics of this “Babylon the Great” of Revelation 18 in the institutions now wielding power over all the world: the World Economic Forum, the World Health Organization, the United Nations — all seeking the dissolution of national sovereignty, the destruction of national borders, the centralization of power and control, and “building back better” after they destroy it all.

But this new world order, this “Babylon the Great,” that the Globalists are building will come to an end in one day. Indeed, in one hour. “And the kings of the earth, who have committed fornication and lived deliciously with her, shall bewail her, and lament for her, when they shall see the smoke of her burning,

“Standing afar off for the fear of her torment, saying, ‘Alas, alas that great city Babylon, that mighty city! For in one hour is thy judgment come. And the merchants of the earth shall weep and mourn over her; for no man buyeth their merchandise any more.”

Let's read on: “The merchants of these things, which were made rich by her, (can you say “Bill Gates” — or “Pfizer?”) shall stand afar off for the fear of her torment, weeping and wailing, and saying, ‘Alas, alas that great city, that was clothed in fine linen, and purple, and scarlet, and decked with gold, and precious stones, and pearls!”

Revelation 18 goes on to describe Babylon the Great's complete and utter destruction. I believe we're reading about the destruction of the Globalist New World Order system. A system of tyranny, deception and absolute domination and control by the Globalist so-called "elites." We also read, "... thy merchants were the great men of the earth; and by thy sorceries were all nations deceived."

It's important to note here that the word "sorceries" is correctly translated "Pharmakea" — drugs, chemicals, mRNA "vaccines," jabs. All nations have already been greatly deceived by the COVID planned-demic. Now, they're planning for "Disease X," which they tell us they don't know what it will be, yet they're already developing a new "jab" to treat it. How convenient. No "warp speed" needed this time. Now, they're developing the next "jab" to treat an illness that doesn't yet exist. And people are buying into this — because they are deceived.

Regarding the destruction of Babylon the Great, verse 20 tells us, "Rejoice over her, thou heaven, and ye holy apostles and prophets; for God hath avenged you on her." And then verse 24, "An in her was found the blood of prophets and of saints and of all that were slain upon the earth."

Friends, the United States may or may not be "Babylon the Great." As I study these Scriptures more and speak with learned Bible scholars, I'm convinced it will be the headquarters of the New World Order. Still, the United States, I believe, will receive a similar judgment of God. We've committed all the crimes of Babylon the Great, whether you realize it or not.

I believe there are 197 countries in the world today. The United States sends foreign aid to 180 of them. Are you aware, that in order to receive this foreign aid, all of these countries must accept, push and promote two things? Those two things are: homosexuality and abortion. All nations that accept our foreign aid (via our tax dollars) are required to promote homosexuality and abortion — with the exception of Muslim nations. They receive our money with no strings attached.

This country used to be a lighthouse on a hill, sending missionaries to the uttermost parts of the earth to share the Gospel to all nations. We used to defend the oppressed and help the poor. Now, many of the missionaries we send are spreading the same false gospel they preach in our modern American churches. A friend of mine once met with a missionary from Africa, who came here to visit, and this man begged us to stop sending missionaries because the missionaries were apostates — preaching a "different gospel" than that of the Holy Scriptures.

We're no longer defending the oppressed or helping the poor. Now, we're sending them drugs, pornography, homosexuality, transgenderism and war instead. We have become the oppressors, for the benefit of the money our politicians can make from them.

And now, we're reaping the whirlwind we've sown, as we live under a tyrannical regime that imprisons its political opponents, that has destroyed our national security and defense and has instigated an invasion by foreign enemies. We export sodomy, homosexuality and transgenderism, we kill, rape and abuse our own children sexually, physically and mentally. We give lip service to advocating for the dignity of women, but then declare that males can be females, if they choose to be. We declare that 50-year-old men can masquerade as 15-year-old girls and join their swim team; and change clothes and shower with them too. Because now, 50-year-old men can "identify" as 15-year-old girls and if you think or say otherwise, that's "disinformation."

Surely God has sent us strong delusion. Surely this nation is guilty of sinful pride and arrogance. America has blood on its hands from the sacrifice of our own children to Molech under the guise of "women's rights" through abortion; through instigating the devastation of war around the world, and the lies of the "official COVID hospital protocols" that would have made Hitler and Josef Mengele proud.

So many in our land have fallen for great deception. But as I stated, God always warns His people. He always makes a way of escape before He pronounces judgment and destruction. I pray that many will open their eyes today, awake from their stupor and turn back to God. Open that dusty Bible, get on your knees and pray and seek His face and turn from your wicked ways. You know what your own personal transgressions are. Face them, repent from them, and turn back to God. The Globalist Babylon is coming; we can't escape it. But we can be rescued from it and rejoice when God Himself squashes all the plans and schemes of the wicked kings of the earth in just one hour's time. Understand the times we're living in, warn others, stand strong and don't back down.
