The Fake 'GREAT RESET' & The End Of Civilization As We Know It

The Fourth Turning

Fourth Industrial Revolution

The Fourth Reich

State of the Nation

Make no mistake: HUGE change is upon US during this third decade of the Third Millennium no matter what predictions come true or don't.

OPERATION COVID-19

Nothing demonstrates that inevitable “Huge change” more than the worldwide execution of **OPERATION COVID-19** since January of 2020.

The NWO globalist perpetrators are only one year into what is essentially a global lockdown scheme, and look at how far they have come.

COVID-1984 is already here, especially in places like the United Kingdom, Israel, Australia, Canada, New Zealand, Germany, France, Spain, etc. Notice how all the *Five Eyes* are in various stages of draconian lockdown with the exception perhaps of the United States.

New Zealand's Prime Minister Jacinda Ardern just locked down Auckland because ONE new COVID-19 case was detected based on patently false coronavirus tests. See: **NZ Prime Minister Imposes Second Lockdown on Auckland AFTER ONE NEW COVID CASE!**

REPEAT: THE ENTIRE NZ CAPITAL WAS JUST LOCKED DOWN BASED ON ONE FAKE CV19 TEST

Such is the sheer power and overwhelming influence of the *World Shadow Government* that exerts virtually complete control over the entire planetary civilization.

That a fake virus, which hasn't even been proven to exist, is then tested for with a test that the inventor said was totally inaccurate and not even scientifically applicable, which is then used to lock down whole nations, is as inconceivable as it is preposterous.

And, yet, here we are in 2021, still being stampeded like sheep into pens of Covid compliance and corralled into cattle cars of vaccine consent. WOW !!!

The GREAT RESET

What does all of this have to do with the GREAT RESET?

The GREAT RESET is really the “great global lockdown”.

The Powers That Be (TPTB) needed a pretext to lock down every country within the world community of nations ... and so they simply conjured up one—the utterly fake and fabricated Covid-19 Pandemic of 2020.

There’s obviously no coincidence that the power elite had been throwing around so many notions having to do with the GREAT RESET throughout 2019 just prior to the staged Wuhan coronavirus outbreak. The main institutional promoter of the GREAT RESET has

been the World Economic Forum and especially its executive chairman Klaus Schwab.

Klaus Schwab, the founder of the World Economic Forum (WEF) that meets yearly in Davos, is the perfect “Dr. Strangelove” to usher in the GREAT RESET. See: **FLASHBACK: Dr. Strangelove and the Bomb (Video)**

While the preceding video concerns the “Doomsday Machine” (you get the picture) in that Stanley Kubrick classic, it also foreshadows the workings of the thoroughly Strangelovian Klaus Schwab, particularly in light of his *“leadership capacity at Sulzer Escher Wyss, the company sought to aid the nuclear weapon ambitions of the South African regime.”*[1]

What’s the critical point?

A certifiably crazy German engineer (and phony economist) — Klaus Schwab — was selected by the NWO cabal to pitch a GREAT RESET that is really a ***“great incarceration of the human race”***.

The following excerpt from a highly detailed exposé entitled **Schwab Family Values** says it all:

The last question that should be asked about the real motivations behind the actions of Herr Schwab, may be the most important for the future of humanity: Is Klaus Schwab trying to create the Fourth Industrial Revolution, or is he trying to create the Fourth Reich?

Clearly, Schwab was installed at the WEF so he could advance the *New World Order* agenda in the wake of the global chaos, worldwide confusion and international conflict created by the absurdly Kafkaesque **CORONAhoax**.

Schwab and his ultra-rich WEF cronies are unilaterally implementing a covert supranational agenda that will ultimately strip national sovereignty and territorial integrity from every nation on Earth. They are basically ghettoizing every square inch of planet Earth for the 99% while carving out green spaces for themselves via *Agenda 21* and *2030 Agenda for Sustainable Development*. Both of these UN agendas are simply ways of putting lipstick on the pig of the ongoing cultural genocide and massive land thefts being surreptitiously carried out around the globe.

They are also using key elements of the Fourth Industrial Revolution to accomplish these goals planet-wide, which will essentially transform the world into a Fourth Reich where the super elites rule by remote via a tyrannical technocracy. And, where the top operational AI decision-makers are literally *Autonomous Superintelligence* entities devoid of humanity and made in the image and likeness of their satanic overlords (see graphic below).

Just consider how German Chancellor Angela Merkel was able to take over virtually all of Europe, adroitly using the European Union government, without firing a single shot. Adolph Hitler would be extremely proud of Merkel's accomplishment of subjugating the Eurozone without even one armed conflict or border skirmish. Allowing the unlimited flow of illegal aliens and economic immigrants into the 26 nation Schengen Area proved to be a brilliant strategy by which all of Europe was conquered from within.

European Union Exposé: A Planned Totalitarian Superstate to Destroy Europe

Of course, Germany was able to pull this off because they possessed the most Deutsche Marks. Even though Deutsche Bank has been virtually bankrupted in the process, Merkel has successfully revitalized the Third Reich. Through massive undercover funding, these same bankster tactics being utilized by the **COVIDcon** perps who brazenly bribe and bully countries the world over to foist

lockdowns on their citizenries. This is all done via enormous illegal bribes and extortion payments provided by the World Bank and IMF. As follows:

**COLOR REVOLUTION LAUNCHED Because Belarus
President
Lukashenko turned down a \$950 million bribe
from the IMF in return for a national
Covid lockdown**

Isn't it quite telling that two of the most powerful people in the world today are German—one a mechanical engineer (Schwab) and the other a chemical research scientist (Merkel)?

Given the ginormous NWO juggernaut currently rolling across the land that's crushing everything in sight, it's no wonder these two bad actors were chosen as the frontmen for such a clandestine nation-destroying enterprise.

Fourth Reich.**

The Fourth Reich

Now what is very confounding about the emerging Fourth Reich is that it's not just a Fascist superstate. In point of fact, the rapidly manifesting Fourth Reich also has many attributes of a communist regime controlled by a still concealed **One World Government**.

In this way, the reptiles at the very top of the planetary food chain have everyone below arguing about whether the world is heading toward communism (and marxism) or fascism. The answer is: BOTH! In fact, the extreme manifestation of both isms leads to the same type of oppressive totalitarianism.

Consider this statement taken from Merkel's Wikipedia page.

*At the Academy of Sciences, she became a member of its FDJ secretariat. According to her former colleagues, she openly propagated **Marxism** as the secretary for "Agitation and Propaganda".*

How ironic that a German Chancellor would be a closet communist who successfully conquered the European continent using Nazi tactics and fascist strategies. This is exactly how TPTB are slowly and stealthily taking over the Earth realm—**Ordo ab Chao**-style.

**Angela Merkel: Nation States Must "Give Up
Sovereignty"
To New World Order**

Merkel and Schwab clearly represent the hidden Illuminati forces that are determined to throw a knockout one-two punch at all of humanity. What better way than to first debilitate and/or incapacitate the human race via the COVID-19 bioweapon; and then to propagate the Covid fear virus as a paralyzing “second punch”?! Where nearly every human being is fearmongered into getting injected with a micro-chipped, gene-altering Covid drug (read: fake vaccine) ... and with multiple doses over the remaining years of their soon-to-be enervated life.

KEY POINT: It is critical to comprehend that the United States of America is not only **The Military Arm of the New World Order**, it also serves as the national template for the Fourth Reich, as does the European Union). In other words, the societal paradigm to which the NWO cabal is moving all the other nations via **Cultural Marxism**, as well as Communist ideology and Fascist authoritarianism.

Conclusion

This analysis only grazes the tiny tip of the colossal iceberg known as the *New World Order* controlled by a secret *One World Government* that is really the Fourth Reich being cunningly ushered in via the Fourth Industrial Revolution. See: **The Fourth Industrial Revolution Is Really A Highly Controlled Global Genocide**

It's crucial to understand that all of this globalization of the world is taking place within the context of the Fourth Turning. (See: **THE FOURTH TURNING: If you haven't read about it, now is the time.**) It's also vital to grasp that globalism is really predatory capitalism (fascism) combined with dictatorial communism as now seen in the United States.

Also, it's important to note that the power elite are taking full advantage of the energies and timing of the Fourth Turning **because they know it's either US or Them who will end up in the stew pot when this is all over.**

Bottom Line: What we are all really witnessing is the age-old conflict between the rich and the poor, the powerful and powerless. The GREAT RESET is truly all about one thing: locking down humanity so securely that no one will pose a real threat to the power elite. Given all the highly advanced and newfangled Internet-based 'weaponry' available to every digitally connected person on the planet during this post-modern *Information Age*, TPTB will not tolerate any challenges whatsoever to their power and supremacy. Hence, the raging class war that's jumping off everywhere in America and beyond is being quite deliberately presented as anything but the class war it truly is. In this way, the globalist perps hope to distract *We the People* from their shocking brutality, incessant perfidy and cruel deceits. After all,

they have gotten away with their total domination of this plane of existence for millennia, and they're not going to relinquish that control under any circumstances. Which is precisely why the GREAT RESET is upon US at this critical point in human history as the Fourth Turning twists and turns every person (and nation) on Earth.

ACTION PLAN

There's plenty *We the People* can do to terminate the GREAT RESET. Above all, mass resistance and civil disobedience are people-powered weapons that TPTB have absolutely no defense against. Of course, as soon as the Patriot Movement understands the power it possesses as an immense fully armed force, it's game over for the power elite. They know that, in America alone, the relatively few wealthy elites will be facing "*a rifle behind every blade of grass*". Whether there will eventually be a shootin' match is determined by the people taking back their power en masse. After all, this final war is really between the 99.999999% against the 01.000001%.
